

Drug and Nicotine Free Youth

HEALTHY CHOICES.

Healthy Futures

Our Mission:

The mission of the Drug and Nicotine Free Youth Task Force is to promote the health and well-being of our students and their families by providing education, support, and resources, to inspire a healthier school and community.

Our Vision:

Our vision is to create a healthy life for our students, their families, and the community.

Who We Are:

The Drug and Nicotine Youth Task Force is a group of stakeholders from across Arlington county, who are working collaboratively to raise awareness surrounding youth substance use and abuse.

Support Offered:

- Classroom Education
- School Based Assemblies
- Staff Education
- Parent/Guardian Education and Support
- Community Presentations/Community Meetings
- Parent Chats
