

# Williamsburg Academic Planning Night

Please join us Wednesday January 13<sup>th</sup> at 7pm for our Virtual Academic Planning Information Night. This evening is to provide information to families about the academic offerings at Williamsburg Middle School, along with additional academic information to help future planning. Counselors will also highlight additional items that make each grade level unique. This is also a great opportunity for our rising 6<sup>th</sup> grade families to find out more about WMS!

We will have three different grade level events running concurrently. Linked below are the events to join for each grade level. We look forward to you joining us!
