

# Williamsburg Middle School

## **PARENT ACADEMIC PLANNING INFORMATION NIGHT - 3RD TIME IS THE CHARM!**

Please join us Wednesday, **January 31th** at 6:30pm for our Parent Academic Planning Information Night. This evening will provide information to parents/guardians about the academic planning process and course offerings at Williamsburg Middle School. School Counselors will also highlight additional items that make each grade level unique. This is a great opportunity for our rising 6th grade parents/guardians to find out more about WMS! We will have rising 6th-8th grade presentations running concurrently in different locations in the building.

Rising 6th - Auditorium  
Rising 7th - Library  
Rising 8th - Room 227

This event is for parents, students will be participating in planning information sessions beginning in February.

We look forward to you joining us!
